

Sign up for both  
Specialty for **\$100**

September 7 & 8, 2010

Come to Adventure Scuba and  
Learn about our Underwater World!!

Training Special!!

### Project AWARE Specialty Course Details - \$65 – 6:30 to 9:30

The underwater world needs heroes. You can be one of them by championing the causes of the world's most fragile and important aquatic ecosystems. Sign up for the Project AWARE Specialty course to learn about some of the most pressing problems facing these vulnerable environments and everyday actions you can take to help conserve them. There are no dives or age limits. Divers and nondivers alike enjoy learning about the aquatic environment. It's informative, interesting and most importantly, you learn how to make a difference.

- The ocean commons and coastal zone issues
- Fisheries challenges and sustainability
- Coral environment overview and inhabitants
- The role of the diver in protecting aquatic environments
- Materials: You'll need AWARE: Our World, Our Water
- Certification counts toward the PADI Master Scuba Diver rating

---

### Coral Reef Conservation Course - \$65 – 6:30 to 9:30

The AWARE - Coral Reef Conservation Specialty course teaches divers, snorkelers and nondivers about the vital role of coral reefs in the marine environment. The course also familiarizes participants with the current state of the world's coral reefs and how they can help. There are no dives or age limits. Divers and nondivers alike enjoy learning about the aquatic environment.

- An introduction to the Project AWARE Foundation
- Covers the importance of coral reefs to marine ecosystems and coastal areas
- Coral reef biology, association and competition
- The status of the world's coral reefs
- How participants can help, including responsible diving and snorkeling practices
- Certification counts toward the PADI Master Scuba Diver rating.

---

#### NOTES:

1. The instructor(s) will attempt to get you to donate \$10 to Project Aware so you can get a special way-cool C-Card so be prepared!!
2. A required book (AWARE Our World, Our Water) for these classes is not included in the price of the classes. It can be downloaded free from <http://www.projectaware.org/knowledgebase/index.php?pid=84&tpid=1&stid=15,16,20,13,21,22,14> or purchased at Adventure Scuba. Lots of reading online as this is a fairly large book...
